MASTER CRAFTSMAN

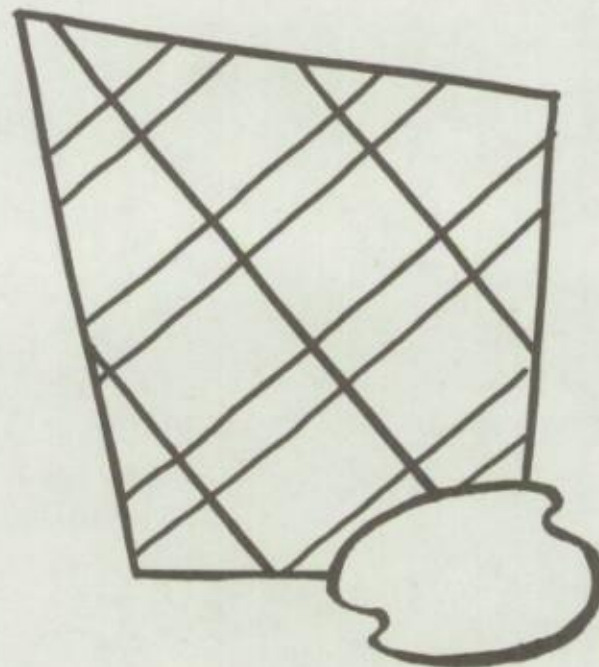

To *Mr. Robert Collier*—science department teacher and visual aids coordinator, guide of tomorrow's leaders—today's youth, long-time friend and companion to those who would learn, and organizer of the Rebel Rangers, informal ambassadors of good will—we dedicate this
1952 *JOHNNY REB.*

Theme

What could signify unity better than the threads which combine to make a fabric? Threads give up their individualism as they lose themselves among the many other threads. In the result of the weaving, as in life itself, should one thread become knotted or broken, the fabric becomes less valuable. A profitable lesson can be learned from the fabrics we take so much for granted.

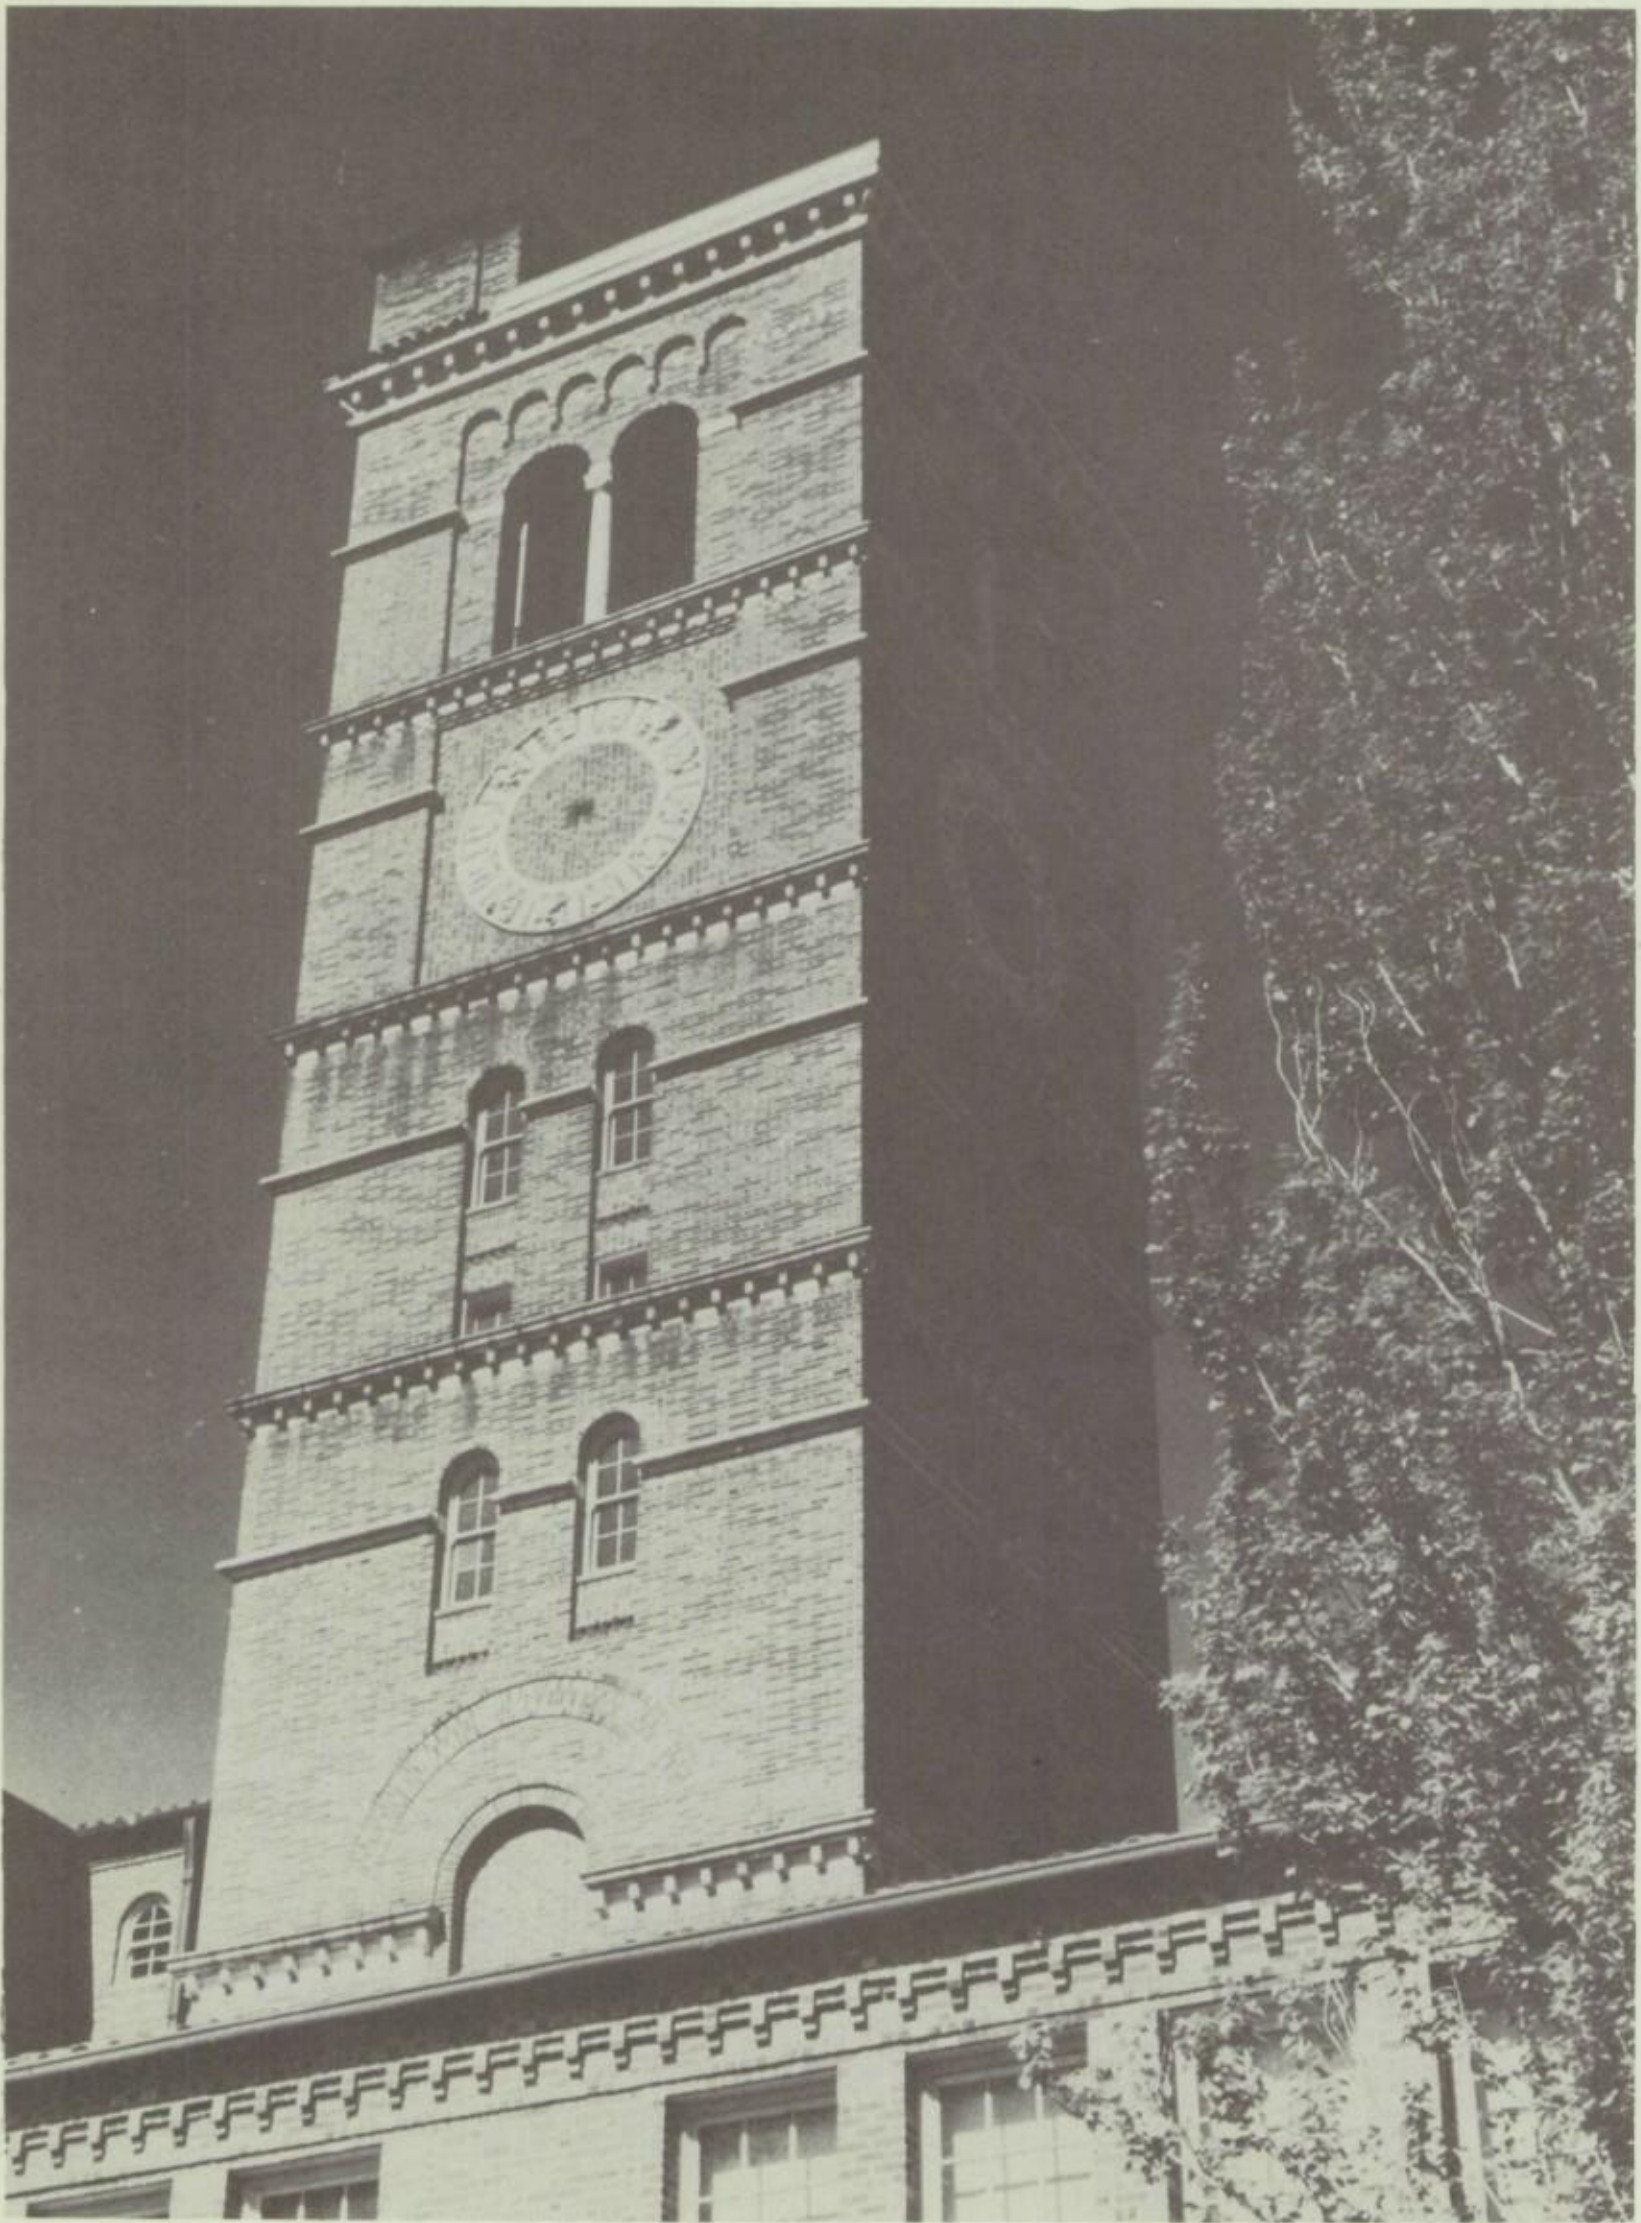

In keeping with the theme and in tribute to Mr. Collier, to whom this *JOHNNY REB* is dedicated, the Ross Plaid of his Scottish Clan adorns the cover. The label bearing the name of quality is sewed into the corner of the completed product.

New this year is the title, "*REBEL ROUSER*," used to acknowledge and honor outstanding teachers and seniors. The staff named five faculty members for their understanding and encouragement of the young people of South High School. They also nominated seniors for outstanding scholarship, leadership, and service to South; however, the final selection was made by the faculty.

Annual Staff

As school begins in September, so does the work of the *Johnny Reb* Staff. Immediately the group originates ideas for the year book. Many ideas are rejected until one satisfying theme is created. Members of the staff work constantly and closely with each other during and after school time. Seemingly impossible deadlines are met. Disappointments are numerous at first, and the high goals seem too rigid to be reached. In spite of the many trials during the first semester, the book moves forward and becomes alive. Every page is a part of Rebel living. Here are the cherished times at South—here is your *Johnny Reb*.

Cheerleaders — Coaches

Two groups which are indispensable to South's athletic department are coaches and cheerleaders. The coach is the man who molds and shapes the team at every practice session, who shares the team's troubles, who encourages them when they lose, and who praises them when they win. He is the man who makes the team complete. Along with the coach, we have the cheerleaders, the young people who are out at every game leading the crowds in school yells. These enthusiastic Rebels are always ready to support the team. Truly, both groups are vital to our school sports and spirit.

The Rebels moved to second place in the Denver Prep League. Their only losses were the opening game with West and both games with undefeated East. Randy Carey and Ronnie Marker were voted All-City Center and All-City Fullback respectively, while Marker received a position on the All-State Second Team. Dean Hackett, Lamarr Trott, and Bob Webb were on the All-City Second Team.

SOUTH 6, West 13

West scored twice in the third quarter. A passing attack took the Rebels to the Cowboy's 1 yard line where Drury connected with Marker for South's only score.

SOUTH 19, North 6

Marker scored from North's 2 yard line. Trott took a pass for one score and pushed the ball over from the 3 for the final TD. North scored on a pass play.

A 15 yard penalty and a fumble enabled East to score twice in the first half. Carlsen (E) intercepted one of Marker's passes and led a drive for the final score.

SOUTH 33, Manual 13

Trott scored 18 points, Gene Rice 6, with beautiful broken field running. A Drury-Marker pass combination netted the final tally. Passing attacks accounted for Manual's scores.

SOUTH 7, West 6

West scored but failed to convert. Having one TD canceled, the Rebs lost the ball, but a West fumble was scooped up by Marker who scored. Randy Carey converted for the winning point.

SOUTH 0, North 0

North broke her losing streak by battling a Rebel Eleven to a nothing-to-nothing tie.

SOUTH 7, East 13

SOUTH 40, North 45

After their first win, the South Rebels met the North Vikings with high spirits, but they went on to lose the game by a narrow 5 point margin. A 13-13 tie at the end of the 1st quarter and 22-21 halftime score show how close the game really was. With less than a minute left to play North cagers scored 3 points uping their lead to 45-40. A Rebel rally to close the gap was cut short by the final gun.

SOUTH 41, East 56

East thoroughly outplayed hopeful Rebels, moving them to 4th place in the mid-tournament standings. Angel Ron Shavlik scored 21 points for East, but other East cagers were also hot, hitting from all angles. Helzer, a junior, along with Chapman and Spicer, accounted for 24 Rebel points with Deines, Walkup, Lundstrom, and Reed tallying 12 more.

South cagers dropped to 4th place in the city prep loop with 2 wins and 6 losses. East had a perfect season for 1st place, followed by Manual with 6 wins and 2 losses. The 3rd place slot was occupied by North whose season count was 3-5. West finished last with a 1-7 record.

SOUTH 37, Manual 53

South opened her basketball season by dropping her first game to very active Manual cagers. Both teams started out cold; however, the Manual Thunderbolts warmed up rapidly and took an early lead which they held throughout the entire game.

SOUTH 43, West 26

Rebels took an early lead against West and steadily increased it with a halftime score of 19 to 14. The game was not too well played as both South and West made some poor and sloppy plays. Dale Walkup and Irv Deines were the game's leading scorers with each accounting for 11 and 10 points respectively.

SOUTH 59, Manual 60

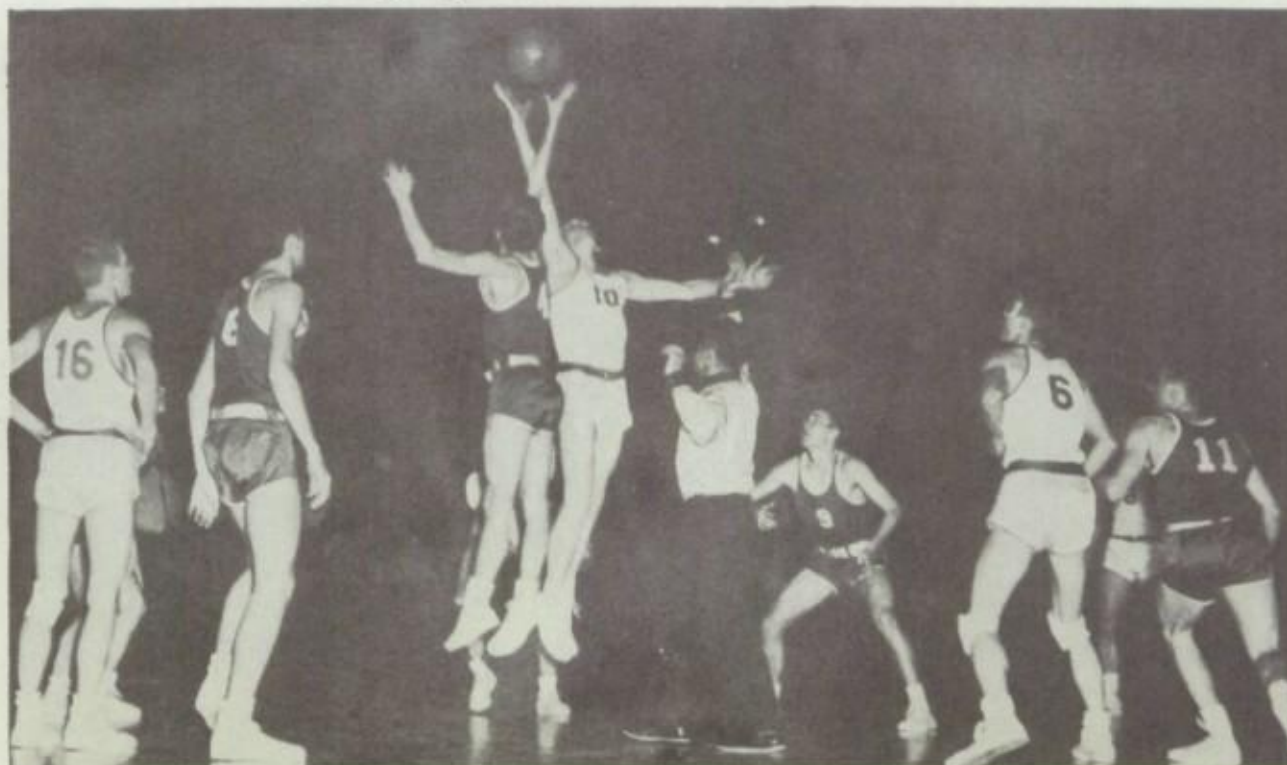

South cagers surprised Manual players by coming from behind during the final period to tie the game. The score was 57-57, and the final gun found both teams vainly trying to score. In the first overtime period Spicer hit Walkup with a pass under the basket, and Walkup dropped it in to give South a 2 point lead. Manual scored with 12 seconds left to play, and the game went into its second overtime period. Helzer fouled Sanford of Manual, who hit his free throw shot.

SOUTH 58, West 52

The Rebels again put on a beautiful display of close basketball, this time with the West High Cowboys. Dale Walkup, along with Bob Helzer, Jerry Spicer, and Les Lotz, played an excellent game. The score throughout the majority of the game never differed by more than 3 points and until the last minute it was anybody's game.

SOUTH 40, North 58

Once again it appeared as though the Rebs were going to have another close game as the halftime score showed 20-25 in favor of North. However, as the second half started, North hit 9 points in a row and started in on an all-out scoring spree. South tallied up 20 points in the second half but never threatened North's lead.

SOUTH 49, East 58

The East Angels brought South's basketball season to a close by dropping Rebel cagers 58-49. The first half was played fairly evenly with a mid-game difference of 3 points. However, the Angels started the second half with Shavlik scoring 9 points to give East a 12 point lead. The Rebels could not overcome this advantage, but John Chapman ended the game with a beautiful shot from mid-court which swished the net as the final gun sounded.

The sophomores played very well as a team and the season produced some excellent prospects for the 1952 Varsity Football squad. Purple and White Day

The peak of school spirit is realized in early May as the Rebels don school colors for the Purple and White Day celebration. School dismisses at noon and students converge on the University Stadium for the All-City Track Meet. The climax of the day is reached at the evening festivities which include the coronation of the queen of outstanding class, and a dance in the school gymnasium.

The outstanding class is selected by means of a system in which points are credited to the sophomores, juniors, and seniors for comparative records in school activities. Throughout the school year, attendance, scholastic standings, P.T.A. memberships, and talent shows are compared and points are given according to the place attained by each class.

Dances and Shows

The Pep Club Dance, "The Foot-Ball", was the kickoff for the school dances. Studies were momentarily forgotten as Rebels enjoyed the social life of high school. The gyms were crowded as the couples danced at the Key Klub Klomp, Cupid's Capers, and the "S" Club Dance. An evening of dancing and introductions was enjoyed by the sophomores at their class party. The senior prom, "Whispers of Winter", was held at D. U. Student Union in a seasonal setting. Flowers bloomed for the "Overture in Orchids", the junior prom. Our school colors blazed during the Purple and White Day Dance, and brought an end to a year of melodious events.

Barbara Staats, popular band vocalist.

Senior class president, Dick Burkhardt, announces the coronation of Senior Prom queen, Sylvia Voth while princesses Thelma Richardson and Pat Rose look on.

Jim Peterson goes up from the trampoline during the Annual Show. The 1951-52 production season was opened by the Johnny Reb Staff presentation of "Out of This World."

Eleanor Stone and Carol Walde come out from the wings during the All School Show. The top-ranking talent joined in a toyland review for this All School Show.

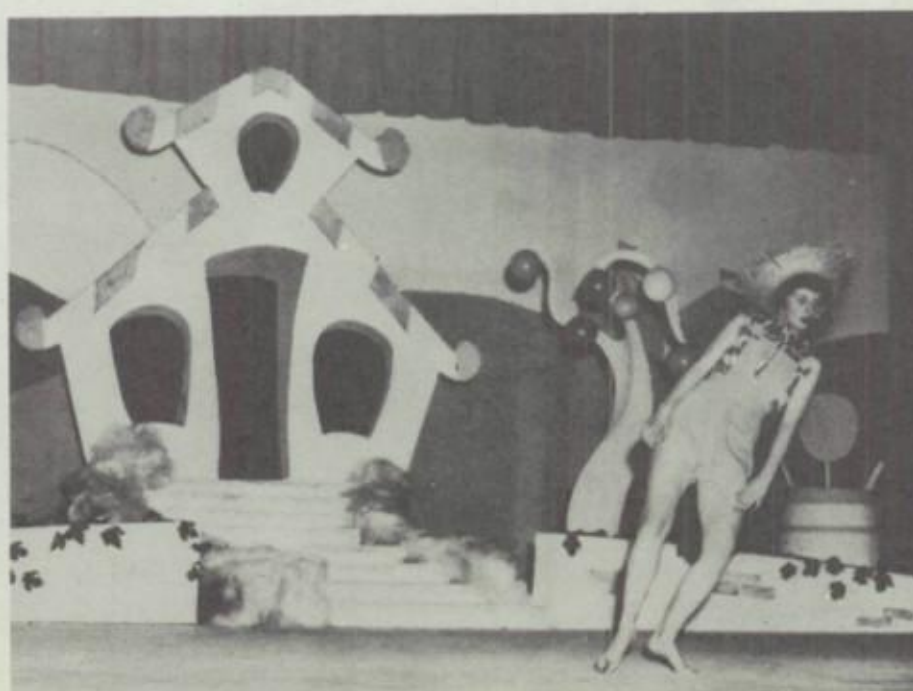

Don Johnson and Frank Shavlik put on a first aid demonstration for the Junior Show. The sophomore, junior, and senior classes competed for highest talent show honors.

The Manual quartet sang for our Brotherhood assembly.

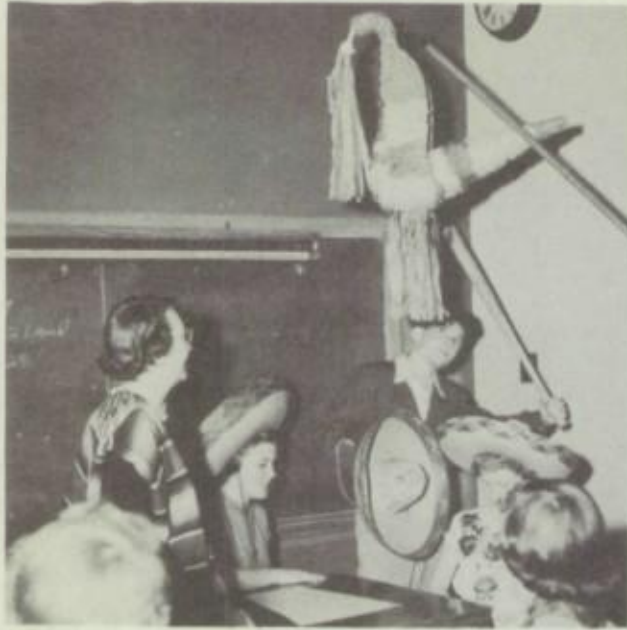

Yvonne and Bill read her original manuscript at the Christmas Program.

Carolyn Chase and "Goofus." Purple and White Day found us enjoying the last show of the year.

We, the fibers, are the beginning of the fabric. Insignificant as we may seem we realize that, without strong fibers, our threads would be weak and our fabric would be marred. The experiences of the coming days shall twist our fibers into long durable threads. The spools and the loom are waiting. We must prepare ourselves. The task begins now.

We have completed our first step. Now as sturdy threads we journey up the loom. The task of weaving is tedious. Our progress is slackened as we untie the knots of our mistakes. But with experience the weave becomes smoother. Anticipation and pride increase as the fabric takes form. The weaving becomes an incessant duty. Only a year remains for its completion.

The last thread is cut and the hands of destiny remove us from the loom. Our fabric is strong and durable. Class experiences have formed a design both unique and beautiful. The loom is empty. WOOL GATHERING

Three swift years have gone! When we first wore our class pins with the carved tower insignia, the year '52 seemed far away. Now that our graduation time is near, we reminisce about the many things that composed our Southern life. As sophomores, we elected Ronald Rinker, Dick Chadwick, and Hilda Erb as our leaders. Mother Goose watched over our class show, "Rhythm Rhymes." The Rockies adorned the stage and we Southerners turned western during our junior show, "S Bar '52." Dick Chadwick continued as our leader, joined by Don Drury and JoAnn Custer. We crowned Ruthie Henderson to reign at "Mystic Moments," the junior prom. New leaders proved themselves as Dick Burkhardt, Scot Robinson, and Irma Soper became our senior officers. We whirled under the snow flakes at "Whispers of Winter," our prom. Sylvia Voth was our lovely queen. Our senior show was entirely different as an ancient theme of the sun-worshippers was chosen. Senior week came only too fast—the luncheon—the class play—the graduation exercises. We will take more than our diplomas with us. Yes, the three swift years are gone—are gone over to the side of memories.

Georgene Dunn, national girls' junior ski champion.

EAGER WEAVERS

To you, the 1952 *JOHNNY REB* is a book, reminiscences of the history class and that time in physics, the All School Show and your first prom, a senior girl, a favorite teacher. You see the book—your picture, you in a candid, someone you know. For the staff, too, the '52 *JOHNNY REB* holds memories—of theme and section titles, copy and spot drawings, picture schedules and captions, dummies and imposition sheets. We see the book—with a beginning—layout, galley proofs, silver prints, paste-ups. We make it "happen."
